SPOTLIGHTING OUR COMMUNITY

AT THE CORNER OF ART AND CULTURE, OTP IS VIBRANT. We entertain, educate and enrich the lives of participants and audience members alike. At Old Town Playhouse, our community comes alive!

All facets of our programming are high quality, starting with a carefully selected MainStage season that spans classics to contemporary, musicals and humor to thought provoking works. We are excited to reimagine a studio selection where avant-garde theatre and a more intimate experience is possible. Young Company is growing both in offerings and participants. And Aged To Perfection has expanded to include improvisation. There is truly something for everyone!

OTP is a community asset. Through partnerships, we have shared resources with other local theatres, enriched and rewarded volunteer recognition in other non-profits and premiered climate change movies. We are using the power of live theatre to prompt learning and insight into relevant cultural issues.

Through grants and generous donations, we have made significant improvements to our building, starting with the heating and ventilation project and electronic marquees two years ago. Each season, we continue to care for our beloved theatre. Currently, we are modernizing our stage lighting, followed by an update of the sound system this fall.

We are committed to providing the best experience for our patrons and volunteers and to building quality community partnerships. We hope you will join in the many experiences found throughout the Playhouse. We are proud to present this first annual report to the community. Thank you for your support.

With gratitude,

Deb Jackson
Executive Director

COMMUNITY IMPACT

Based on an economic report from Americans for the Arts, it is estimated that the average theatre patron spends an additional \$40 in the community, when coming to see a show. This means that OTP is a significant economic driver in our region with around \$800,000 spent in the community by our patrons each season. And of our internal budget, over 85% is spent locally – that’s what we call a great return!

WE WELCOME EVERYONE

As a true community theatre, we embrace all ages, identities and skill levels. We have something for everyone!

OTP is multi-faceted. From our littlest thespians in Young Company Camps to our seniors in Aged To Perfection and all ages in-between, there is a place for all.

Our MainStage offers a variety of shows and genres, beginning with a classic whodunit and ending with a hilarious musical.

Get involved in a production this season, whether behind the scenes or as a cast, crew or audience member. Join in the experience!

CONNECTION

"I feel accepted and loved by this community in every way possible."

FAMILY FAVORITE

All **YOUNG COMPANY** classes and camps culminate in a show. We now offer one day theatre camps on select school holidays.

This year we have partnered with the **PENGUIN PROJECT**, where youth with physical or developmental challenges are paired with a mentor and perform a Disney Jr. musical on stage.

"You are never too old and it is never too late. Come grab some adventure with us."

AGED TO PERFECTION (ATP) is a reader's theatre format where our seniors, 55 and above, can use their theatrical skills without the burden of memorization. This season, improv has been added to this thriving group.

Oct 21 – 23, 2022 MEDLEY OF 4 SHORT PLAYS

We are thrilled that Studio Theatre will be back in a reimagined form this season. **POP UP THEATRE** is in a more intimate performance space and often performs more avant-garde shows. These studio shows will pop up around town.

WE CONNECT THE COMMUNITY

With every performance and every program, we connect people, ideas and magical moments.

We are community theatre – **BY THE COMMUNITY AND FOR THE COMMUNITY** – reaching people on stage, backstage, off stage and in every seat of the theatre.

All aspects in putting on a show is done by volunteers – they log over 40,000 hours each season! Volunteering at OTP comes with benefits far beyond free tickets. Volunteers build lasting relationships while having fun. Each one takes pride in bringing quality live theatre to our community.

Besides the actors you see on stage, there are many folks that work backstage during the shows, usher in the front of the house and create sets and costumes. If you are interested in learning more about the opportunities at OTP, please call the office or contact us through our website.

Volunteers are the heartbeat of OTP and make the magic happen.
WE ARE GRATEFUL FOR ALL THEY BRING TO THE PLAYHOUSE.

WE NURTURE TRANSFORMATION

Together, we bring about positive change to individuals and our community.

The quality of theatre you experience from OTP could not happen on ticket sales alone. Grants and donations make the magic possible.

THERE ARE MANY WAYS TO SUPPORT OTP:

- Individual donations can be made online or mailed to the office.
- Sustaining donations can be set up by our box office.
- Two new endowment options are now available. One is for operating funds and the other is for future building expansion. You can designate an endowment on your donation or contact us.
- Estate gifts help support larger OTP projects.

We welcome the opportunity to speak with you about how to leave a legacy to OTP.

THANK YOU TO ALL OUR GENEROUS DONORS.

ENRICHMENT

WE PARTNER TO ENHANCE CULTURE

With over 60 years of impact, we will continue to champion a lively arts culture in our region for generations to come.

A year of closure due to the pandemic and the subsequent government grants received distort the financial picture on a year over year basis. The graphs here are derived from a five-year average.

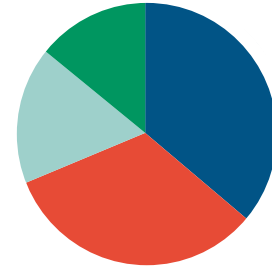

Thanks to individual donations, sponsorships and grants, OTP continues to be healthy and sustainable into the future.

Our full financial report can be viewed at www.OldTownPlayhouse.com.
